I confirm that the information contained in this Service Evaluation Form (f) is true and accurate and (f) represents my actual first-hand experience, or experience which I am authorized to discuss. I acknowledge and understand my responsibilities under the Angie's List Membership Agreement, and that Angie's List is relying upon the accuracy of the information in order to serve other members. I confirm that I do not work for, am not in competition with, and am not in any way related to the service provider in this report. I acknowledge that my name, address and this report information will be available to the service provider being rated.

In late January we decided it was time to begin the hunt for our dream house. One of our biggest concerns was finding the right real estate agent. Peter was highly recommended to us by a family friend. We contacted him via email, and were pleasantly surprised when he responded while being on holidays, out of the country. The day he returned, he contacted us immediately to set up an initial meeting. From the moment we met, we were both impressed with his professionalism and his positive energy. Peter was extremely easy to talk to, and very attentive to what we were looking for in a house. Taking notes, and answering questions to help narrow our search. He set us up immediately with a realtime mls listing service, which allowed us to view new home listings based on our criteria. Whenever we decided to view a particular home, Peter was extremely accommodating, booking viewings quickly and at times convenient to us.

Peter was very intuitive to our expectations, knowledgeable and very in tune with the beat of the current real estate market. It was Peter's keen eye for details, and his uncanny ability to spot quality craftsmanship that led us to finding the perfect home.

Even though we did view many homes, we never felt any pressure to settle for a substandard home, just to make a sale. Peter would often encourage us that right home is out there, and he would find it.

Once we did find the perfect house, we were up against other offers. Peter helped us navigate the tricky process, offering tips and providing us with a winning strategy. Once the deal was secured, Peter went above and beyond. He quickly secured us a professional home inspector, and contacted our mortgage specialist to help ensure the process went quickly and smoothly.

In conclusion, Peter exemplifies what a professional real estate agent should be. His warm personality and positive attitude allowed us to put our complete trust and faith in him to find us our dream home, and he delivered 100%. I would be pleased to recommend him to anyone looking for a real estate agent who truly has a passion for his work.
